TELESIS TEXZ-URC

Commercial-Grade Universal Edgelit LED Exit Sign

TITLE 20 COMPLIANT

The Telesis TEXZ-URC offers a universal design and versatile mount options, making it an ideal choice for commercial interior applications. Its contemporary style features soft curves, low profile housings, and a brightly illuminated lens to create a "floating" edgelit appeal. The TEXZ is available with universal kit for recessed ceiling/wall, surface wall, ceiling or end mounting and with field selectable faces (single or double).

CONSTRUCTION

- Low Profile extruded aluminum housing and optional trim plate anodized in a satin finish
- The TEXZ-URC is provided with a field selectable Single Face Clear panel and a Double Face Exit Panel with a Mirror background divider. The Double Face sign has a Mirror reflector sealed between the two exit panels to simulate a clear background for Double Face exits. For additional field versatility the Double Face model includes a single sided mirror reflector with two adhesive strips that can be applied externally to cover over one exit face to convert to a Single Face Mirror sign. For a purpose sealed Single Face Mirror panel order option TEXR1M or TEXG1M
- Injection molded gray Endcaps and Canopy to match
- Optional fully enclosed recessed backbox assembly fabricated from formed sheet steel with adjustable bar hangers to suit T-Bar or Joist mounting up to 24"
- Optional Canopy with crossbar allows for surface end, top or wall mounting
- Last to assemble snap-in lens for versatility and ease of installation

ELECTRICAL

- Universal 120 or 277 VAC field selectable input
- Power consumption : AC only Red <2 Watts, AC only Green <3 Watts, EM Red <2.5 Watts, EM Green <3 Watts
- Listed for indoor damp locations 10°C to 40°C
- EM models feature a 4.8V long life Maintenance Free Nickel Cadmium battery, providing 90 minutes emergency run time
- Solid state battery charging circuit provides 24-hour recharge
- Low voltage cut-off prevents battery deep discharge damage and ensures positive charge acceptance following an extended discharge
- Surge and brownout protection are standard
- EM models include Push to test Switch and AC present indicator

ILLUMINATION

- Maintenance free LED light source with 25+ years life expectancy
- Crystal clear acrylic edge-lit lens with screen printed legend
- Red or Green LED with 6" letters and 3/4" stroke for 100' code compliance

TEXZ-URC UNIVERSAL KIT

- The TEXZ-URC Universal includes an optional recessed backbox assembly with matching aluminum trim plate for recessed ceiling or wall mount installation
- The Universal Canopy and crossbar provide for optional surface mounting in Top, Wall, or End mount configurations
- The unique pivoting housing allows for wall mounting or for "hang-straight" applications on sloped ceilings
- The kit is provided with a field selectable single face clear edgelit lens, or included double face mirrored background lens with an additional mirror film for Single Face Mirror
- Field selectable Chevron directional indicators included as standard

CERTIFICATION

- Tested and Listed by Underwriters Laboratories in compliance with UL924
- Meets or exceeds all performance standards as required by NFPA 101 Life Safety Code, NFPA 70-NEC and OSHA
- California Title 20 Certified

WARRANTY

- 3 year limited warranty - view complete warranty terms online at www.evenlite.com/terms-warranty.

TELESIS TEXZ-URC

Commercial-Grade Universal Edgelit LED Exit Sign

ORDERING GUIDE

TEXZ-EM-R-URC

MODEL	OPERATION	LETTER COLOR	FACES / BACKGROUND	OPTIONS[2]
TEXZ	**AC** AC Only (120/277 VAC) **EM** Battery Backup Emergency	**R** Red **G** Green	**URC** Double Face/Universal Panel Kit (Spare Mirror Reflector Included)[1]	**TEXR1M** Additional Single Face Red Letters Mirrored Background Lens **TEXG1M** Additional Single Face Green Letters Mirrored Background Lens
TEXZ			**URC**	

ORDERING NOTES

1. The panel kit includes a spare mirror reflector with adhesive strips that can be applied externally to cover over one exit face of the Double Face panel. The covering then replicates a Single Face Mirrored sign. For a purpose sealed Single Face Mirror panel order option TEXR1M or TEXG1M
2. For greater versatility and options see Sovereign II Series
