XNYCOM - NEW YORK CITY LED EXIT SIGNS

Steel LED Exit/Combo

Evenlite's New York City approved exit signs ensure code compliance for those areas requiring the larger 8" letters and 20 gauge steel construction. Provided with three LED lampheads.

Construction

- NYC Compliant 8" Exit Letters with 1" stroke
- Durable 20 gauge steel housing in white
- Field selectable knockout chevrons
- Universal knockout pattern on back plate for wall mount applications, top and side conduit entry
- Heads can be top or side mounted, third emergency head is included

Electrical

- 120/277 vac field selectable input
- 9.6V Nickel Cadmium maintenance free battery provides 90-minute minimum emergency illumination
- Battery recharges in 24 hours following a 90 minute discharge
- Fully automatic solid state operation for maintenance free reliability
- Test Switch and AC present indicator light

Illumination

- Two fully adjustable 1.5W LED lampheads with field installable 3rd emergency head included
- Ultra-bright long lasting White LED's provide emergency illumination
- Ultra-bright, long lasting red LED's illuminate the 8" EXIT letters

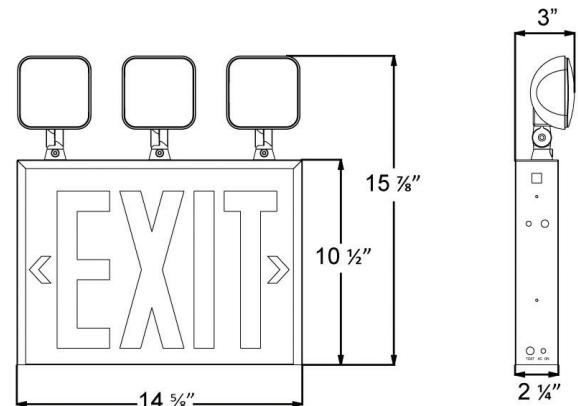

Certification

- UL listed for damp locations 0° to 50°C
- Listed to UL 924, meets or exceeds NFPA 101 Life Safety Code, NEC-NFPA 70, OSHA requirements

Warranty

- Five year limited warranty on electronics, battery pro-rated for five years
