XNYCOM
NYC-Approved Steel LED Combo Exit Sign

The XNYCOM exit sign and emergency combination is New York City approved and ensures code compliance for areas requiring large 8" letters and 20 guage steel construction. The included three LED lamp heads utilize long-life, high-brightness LEDs for reliable performance and clear visibility.

CONSTRUCTION

- NYC Compliant 8" Exit Letters with 1" stroke
- Durable 20 gauge steel housing in white
- Field selectable knockout chevrons
- Universal knockout pattern on back plate for wall mount applications, top and side conduit entry
- Heads can be top or side mounted, third emergency head is included

ELECTRICAL

- 120/277 vac field selectable input
- 9.6V Nickel Cadmium maintenance free battery provides 90 minute minimum emergency illumination
- Battery recharges in 24 hours following a 90 minute discharge
- Fully automatic solid state operation for maintenance free reliability
- Test Switch and AC present indicator light

ILLUMINATION

- Two fully adjustable 1.5W LED lampheads with field installable 3rd emergency head included
- Ulltra-bright long lasting White LED's provide emergency illumination
- Ultra-bright, long lasting red LED's illuminate the 8" EXIT letters

CERTIFICATION

- UL listed for damp locations 0° to 50°C
- Listed to UL 924, meets or exceeds NFPA 101 Life Safety Code, NEC-NFPA 70, OSHA requirements

WARRANTY

- 5 year limited warranty on electronics - view complete warranty terms online at www.evenlite.com/terms-warranty.
- Battery pro-rated for 5 years
