

Modern Design.
Built-in Flexibility.

COLOR SELECT SERIES

The new **Color Select Telesis Exit Sign Series** combines a slim, contemporary profile with easy installation and a competitive price point. But what sets it apart is the built-in flexibility: **the exit legend can be field-selected between red or green**, helping you meet project requirements and local code preferences with one versatile solution.

**FIELD-SELECTABLE
RED OR GREEN LEGEND**

**SLIM, LOW PROFILE
DESIGN**

**SINGLE OR
DOUBLE FACE**

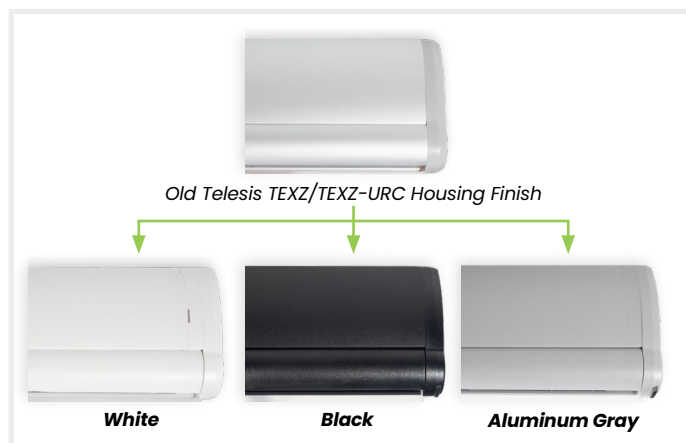

**UNIVERSAL
MOUNTING CANOPY**

**SELF-DIAGNOSTICS STANDARD
FOR TEXCS/TEXCS-URC**

NEW FINISH OPTIONS *(for Telesis TEXCS/TEXCS-URC)*

The new Telesis TEXCS/TEXCS-URC thermoplastic housing replaces the original aluminum finish with black, white, and aluminum gray housing color options for maximum design flexibility.

PENDANT MOUNTING OPTIONS

Extend your design possibilities with our **Pendant Kit**, allowing the exit sign to be suspended up to **72 inches** for greater mounting flexibility. Available in a **matching finish to the housing**, the pendant creates a clean, coordinated look that integrates seamlessly into the space.

AVAILABLE FINISHES:

- ☐ WHITE
- ☐ BLACK
- ☐ ALUMINUM GRAY
