

# TELESIS TDCOM

## Die-Cast LED Combo Exit Sign

The Telesis TDCOM Die Cast Aluminum Combination LED Exit and Emergency Light provides an architectural styled solution for applications needing a rugged yet stylish combination unit. Available in brushed aluminum, all black, or all white finishes, it combines durability with a sleek, modern design.

### CONSTRUCTION

- Durable die cast aluminum with powder coat finish
- Letters are 6 inch high with 3/4 stroke available in red or green
- Aluminum mounting canopy is included for top or end mount applications
- Universal knockout pattern on back plate for wall mounting (single face models)
- Chevron directional indicators are field selectable
- Face plate snaps closed with no visible hardware

### ELECTRICAL

- Long life Nickel Cadmium battery provides 90 minutes of emergency operation with optional 3-watts remote capacity
- 120/277 VAC field selectable input
- Push to test switch and LED status indicator

- Fully automatic operation solid state transfer to emergency mode
- Fully automatic solid state two rate charger recharges battery in 24 hours

### ILLUMINATION

- Long Life Energy efficient LED letter illumination
- Bottom mounted bright white led heads 3 watts each

### CERTIFICATION

- UL 924 Listed and Listed for damp locations, 0 to 50°C, meets NFPA 101, NFPA 70-NEC, OSHA, Local and State codes
- California Energy Commission (CEC) Title 20 Compliant and OSHA requirements

### WARRANTY

- 5 year limited warranty, battery pro-rated - view complete warranty terms online at [www.evenlite.com/terms-warranty](http://www.evenlite.com/terms-warranty).
