Unwavering Light.

RAY & MANTA

Architectural Outdoor Emergency Wall Pack Series

Drawing from the graceful, scalloped forms found in the ocean, the Ray and Manta Series bring a new level of architectural refinement to emergency lighting. Sharing the same fluid, balanced profile, Ray offers compact, versatile performance for both indoor and outdoor spaces, while Manta scales the design into a larger, more powerful form purpose-built for demanding outdoor wall pack applications. Engineered to thrive outdoors, both deliver dependable illumination when it matters most, uniting form and function in perfect motion.
